Project Whites

Clean, crisp and quietly refined, Project Whites bring an effortless elegance to interiors. Their purity of tone creates a sense of light and space, offering a timeless foundation for contemporary design.

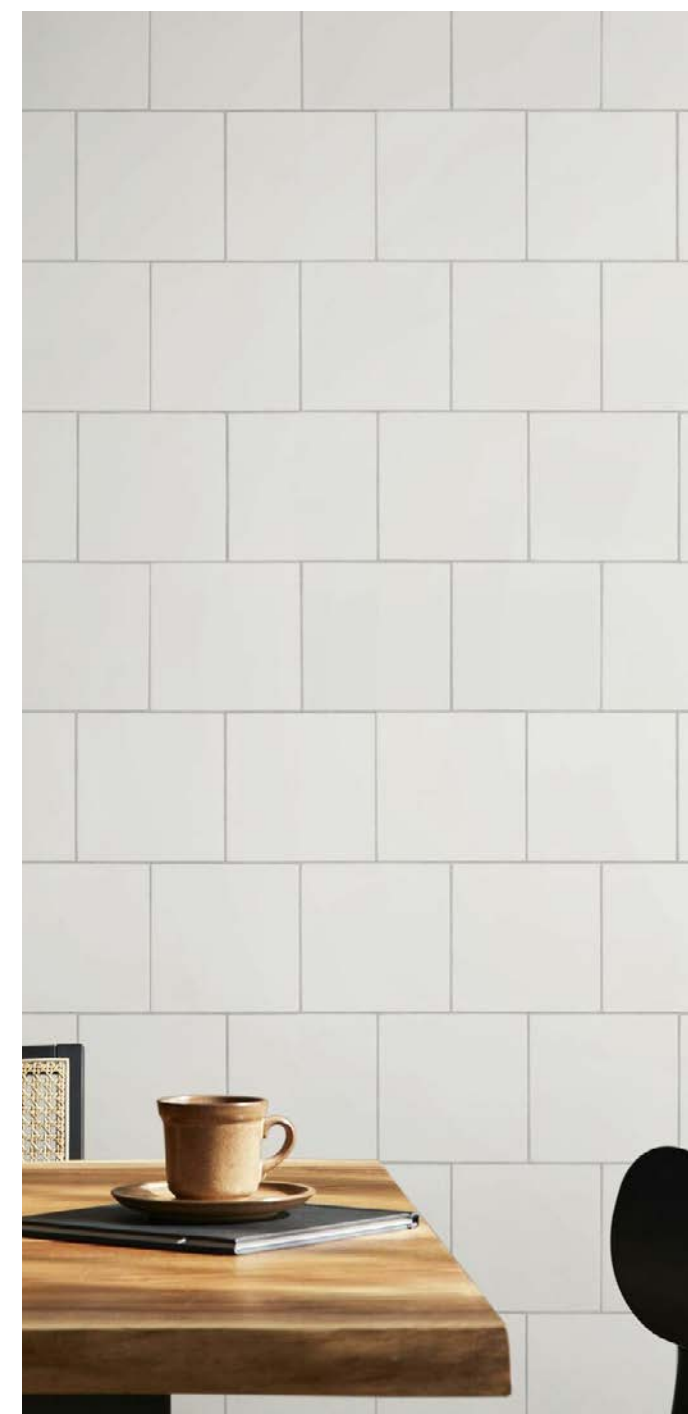

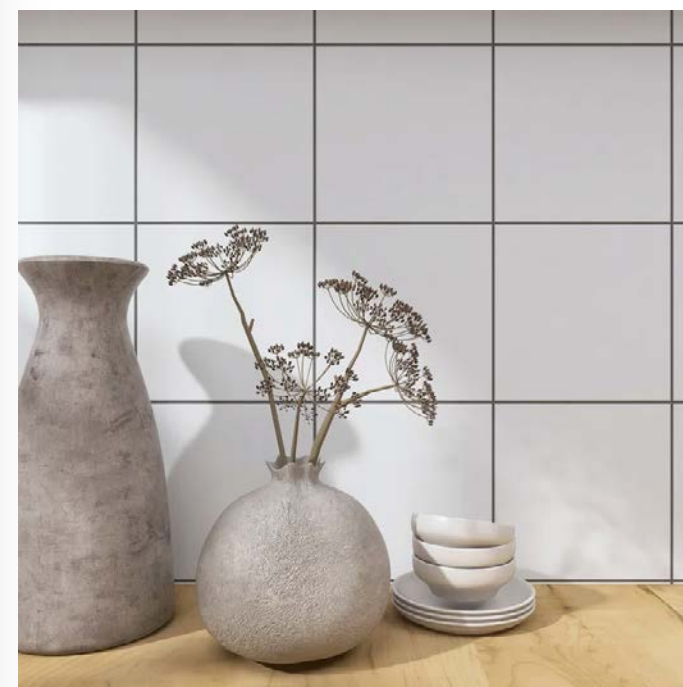

Project Whites captures a freshness that never fades, a versatile classic and a timeless foundation that allows colour, texture and detail to take centre stage.

Available in the crisp subtlety of matt or the reflective brilliance of gloss, these tiles create a simple yet elegant canvas, bringing clarity and light to kitchens, bathrooms and living areas alike.

For developers and designers, Project Whites embodies understated modernity, a small format tile with a big impact, shaping spaces that feel clean, bright and enduringly relevant.
