Bubblewrap

An irresistible temptation, Bubblewrap is a guilty pleasure turned design icon. This collection reimagines ceramic surfaces with a bold twist of irony and charm, drawing inspiration from the playful texture of bubble wrap, the universally loved material we can't resist pressing between our fingers.

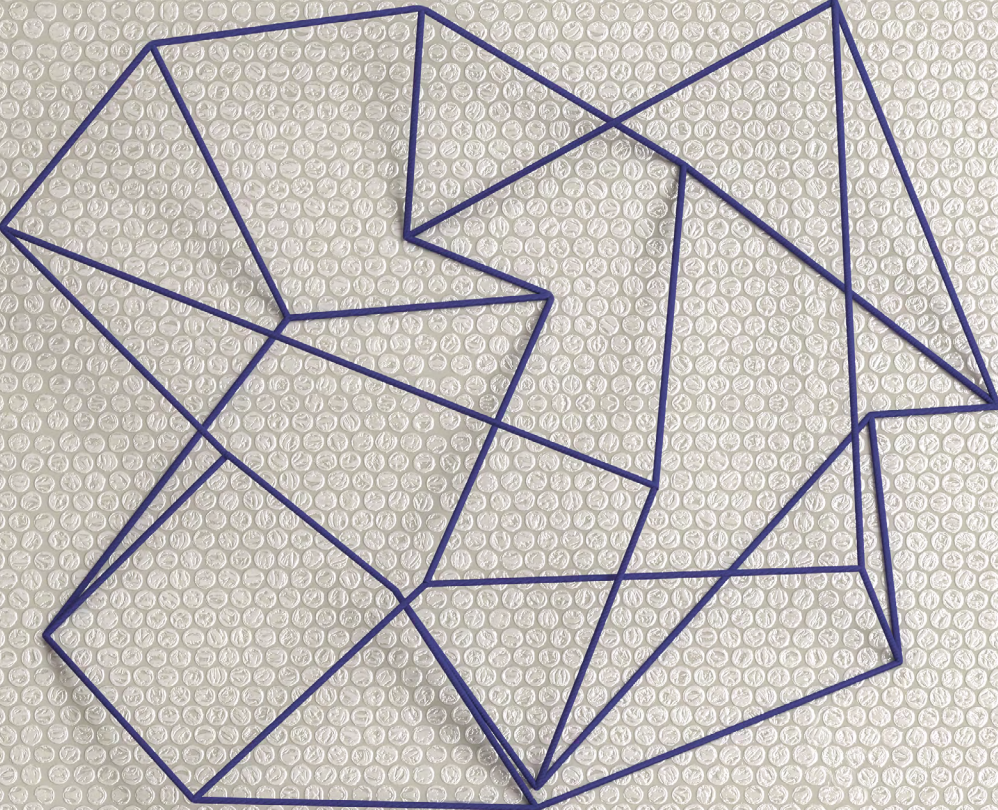

Iris Ceramica Group is a world leader in design, production and distribution of high quality porcelain products for residential, commercial and industrial architecture.

A group that is based on three pillars: sustainability, innovation and beauty.

Iris Ceramica Group aims to create solution that enhance through ceramic, the interaction between environment and human-being.

These are surfaces to extend your creative vision. This is Iris Ceramica Group.

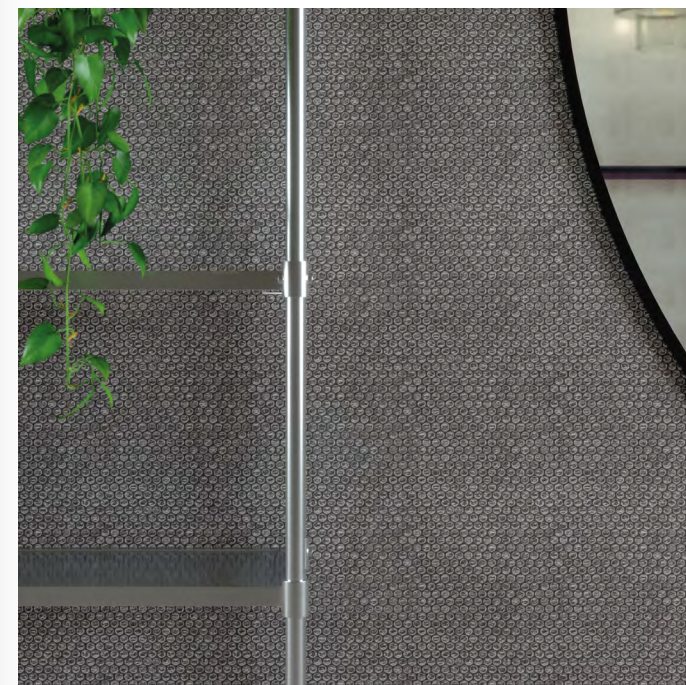

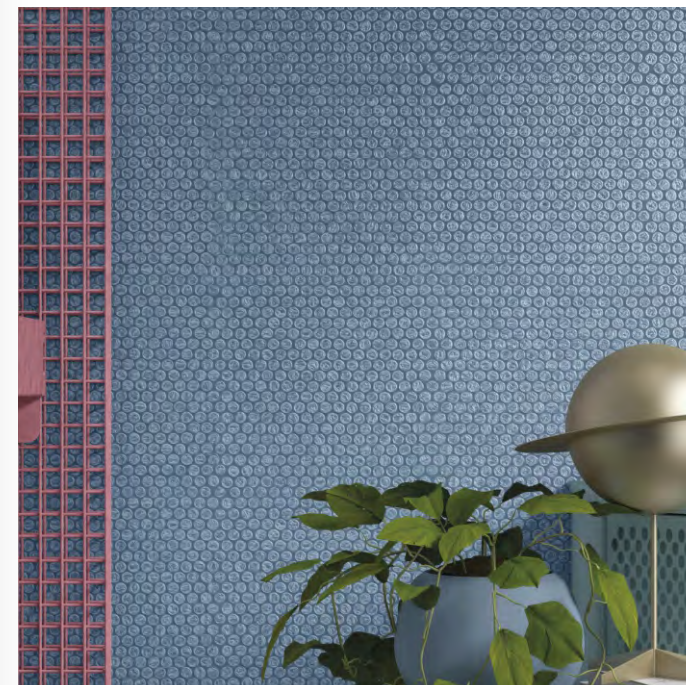

RESOUNDING LUXURY

Far from a gimmick, Bubblewrap is a statement piece, where three-dimensional graphics bring a sense of movement, lightness, and mischief to interior surfaces.

It playfully blurs the line between art and utility, infusing spaces with a spirit of experimentation and an unexpected tactile quality.

With its pop-art sensibility and joyful visual rhythm, Bubblewrap is perfect for feature walls, creative commercial spaces, or daring residential interiors.
