Highclere Stone

Inspired by rugged landscapes and the stately architecture of classic estates, Highclere Stone embodies refined heritage with delicate veining and gentle shading, capturing the timeless beauty of gracefully weathered stone.

Designed for spaces that call for both elegance and authenticity, Highclere Stone is perfect for creating sophisticated interiors that feel both grounded and timeless.

It's nuanced colour palette featuring rich earthy tones, soft greys, and subtle hints of mineral-inspired shading, mirrors the natural patina of age, evoking a sense of history and permanence.
