Montelane Walk

Bringing the beauty and uniqueness of Mediterranean towns, Montelanes' Walk tonal shades allow you to create exceptionally picturesque, colourful, or monochromatic compositions. Reflect your emotions and dare to create your own space.

This collection harkens back to the traditional artisanal process of ceramic production, featuring small, brick-shaped tiles that reveal the traces of human craftsmanship and the charm of imperfect forms through hand glazing.

The extraordinary textures and glossy finishes come in a rich palette of 12 colours, ranging from greys and beiges to terracotta, purple reds, and deep, saturated blues and greens, allowing for unique and unexpected compositions.
