Papillon

A harmonious blend of precision and artistry, Papillon is a ceramic reinterpretation of an icon of elegance, the butterfly. Re-imagined in an abstract form, it unites two pentagons that dance with colour, bringing surfaces to life through rich, fragmented reflections.

RESOUNDING LUXURY

Each tile is a meticulously hand-crafted work of art, where pentagonal “wings” create patterns with striking visual dynamism. These forms play with light, casting ever-changing reflections that shift and evolve, revealing new perspectives and depths with every glance.

With four exclusive finishes, each tile is hand-crafted with care, offering an ever-changing array of tones and patterns. This commitment to craftsmanship ensures that every installation is a one-of-a-kind expression of design and character.

The result is timeless beauty and architectural creativity: a tactile, visual masterpiece that enhances depth and texture, conveying a captivating earthy richness. It evokes a sense of luminous elegance, shaping timeless spaces that inspire and endure.
